BELIEVES BOMB MEN ARE IN U.P.

Chief of Police Trudell Is Asked
to Keep on the Lookout

Chief of Police Joseph Trudell has received a communication from the Hungarian consular agent at St. Paul, asking him to keep on the lookout for two men suspected of having committed a dynamite outrage in Hungary last February. The men are believed to be in the upper peninsula of Michigan and may be in the copper country.

On Feb. 23, a package containing fifteen or sixteen kilograms of nitroglycerine was received at the office of the Greek Catholic Bishop, Stephen Miklosy in Debrecen, Hungary. The package was supposed to contain a donation of candles for one of the churches. When opened, the bomb exploded and killed three men, seriously wounding seven others. The bishop himself was not present when the package was opened and thereby escaped.

It was ascertained the package had been sent from Czernowitz by two men supposed to be Waschevic Kalarew, alias Elie Cazanar-Orher, and ex-prize fighter, and Timofter Kirolov alias Chirlew, an ex-boxing master. These men fled to Roumania, then to Egypt and later to Serbia, finally sailing from that country for the United States, where they are supposed to have come to upper Michigan. A reward of 10,000 crowns has been offered for their capture.

Mrs. Marley passed away about one year ago. There survives one son, William C. Marley, whose home is in the copper country.

No Inquest Necessary.

An autopsy performed to ascertain the cause of death of Patrick Mulligan, who passed away at the C. & H. hospital this week after a sudden illness, revealed the fact that Mr. Mulligan's demise was brought about by natural causes and that no inquest was necessary. While working in the No. 14 shaft of the C. & H. mine, Mr. Mulligan was suddenly overcome early Tuesday morning and was removed unconscious to the C. & H. hospital, where death followed in a few hours. Mr. Mulligan was about forty years of age and is survived by a wife and three children besides his parents, Mr. and Mrs. John Mulligan, who reside in the copper country. The funeral services will be held either Friday or Saturday.

LEAGUE SHOWS GROWTH.

Anti-Socialist Organization Now Has Six Healthy Branches.

The Finnish Anti-Socialist league, formed in Calumet a short time ago for the purpose of combatting the teachings of Socialism, is showing a rapid growth. Immediately after the Calumet branch was organized, similar leagues were formed in Hancock and South Range. More recently there have been three other branches organized, one at Mass City, one at Atlantic and the third at Oskar. The latter two branches were of recent origin, the one at Oskar being especially strong. N. A. Lempea of Calumet, Mayor Ojala of Hancock, Andrew Brum, county treasurer; W. Frank James, of Hancock; Walter Hendrickson, William Johnson, Jacob Wirsula, E. Saastomoinen of Hancock, and Rev. William Rautanen went to Oskar last Saturday and assisted in the organization of the Oskar branch.

It is probable the organization of a Calumet branch of the state league under the auspices of the league will be deferred until after the spring planting is completed.
